No.E-42099/QRs/TDs/Review/Fire Equipment /Fire Dte./2026- 329

Dated: 29 /07/2026

To,

The Director (Provisioning),
Police Modernization Division,
Ministry of Home Affairs, Government of India,
Jaisalmer House, 26 Man Singh Road,
New Delhi - 110011

Subject: Revision of QRs/TDs of all equipment formulated by Nodal CAPFs and formulation of SOP for preparation of QRs/TDs: Reg.

Kindly refer to CISF HQrs., New Delhi ION No. 121446 dated 06.11.2025 on the above cited subject. (Copy enclosed)

02 Vide the letter under reference, it was conveyed that a meeting was held under the Chairmanship of ADG/CRPF on 29.10.2025 at CRPF HQrs. During the deliberations, it was unanimously decided that the QRs/TDs of all equipment formulated by the respective Nodal CAPFs prior to 2022 should be revised to ensure their standardization, alignment with operational requirements, and incorporation of technological advancements. In respect of CISF, it was specifically resolved that Fire Safety related equipment would be covered under this exercise, with CISF designated as the Nodal Force for the same.

03 In pursuance of the above, a Board of Officers was constituted as per guidelines issued by MHA vide Order No. F.No.11012/02/2009-Fin-I/Prov-I-17 dated 02.01.2018 to undertake a comprehensive review of the QRs/TDs of the following fire appliances/equipment:

- a) Crash Fire Tender for Airfield
- b) Emergency Rescue Tender
- c) Water Tanker (12 KL Capacity with Fire Fighting Pump)
- d) Hydraulic Platform (32 mtrs.)
- e) Water Mist & CAF Extinguisher (09/10 Ltrs. Capacity, Back Pack Type High Pressure)
- f) Water Mist (02×09/10 Ltrs. Capacity, High Pressure Type, Motorcycle Mounted)

04 The draft QRs/TDs of the aforesaid appliances/equipment have now been prepared after detailed examination by the Committee members. The drafts reflect ongoing technological advancements in the field of fire safety equipment and incorporate practical inputs received from stakeholders and field formations, thereby ensuring that the requirements are both realistic and operationally relevant.

05 In this regard, it is requested that the amended draft QRs/TDs of the aforesaid six fire appliances/equipment may kindly be uploaded on the MHA website for wider consultation. Vendor suggestions/observations may be invited within 15 days, following which the inputs will be scrutinized by the Board of Officers for finalization of the QRs/TDs.

06 This issues with the approval of the competent authority
