

Government of India
Ministry of Home Affairs

Subject: Policy for declaration of National/International/Special Days.

The question of laying down proper procedure for declaration of National/International/Special Days has been engaging the attention of the Government for quite some time. This matter was discussed by the Committee of Secretaries in its meeting held on 8.11.2006 and certain guidelines were issued for adoption of National/International/Special Days. These guidelines have been amended/modified from time to time. The guidelines (as amended upto 23.01.2012) are as follows:

- (i) For formal adoption of a Day as National/International/Special Day, the concerned Ministries/Departments of the Central Government must be consulted. Also, where it is intended to involve State Governments or their agencies with programmes/activities on such Days, State Government/Union Territory Administrations should also be consulted.
- (ii) Where it is proposed to formally adopt a Day as an International Day, consultation with the Ministry of External Affairs should be mandatory regardless of the fact that such Day is proposed to be adopted in pursuance of a declaration/resolution made or adopted by UNO or other international agencies. The level of participation viz formally being associated or with full involvement also needs to be decided.
- (iii) The proposal for formal adoption of Day as National/International/Special Day may be submitted along with the recommendation of the Committee of Secretaries, on file, to the Prime Minister through the Minister-in-charge.
- (iv) Formal adoption of a Day as National/International/Special Day should be made through a Gazette notification.
- (v) The Gazette notification may be issued by the concerned Ministry itself and copies where of must invariably be sent to the Cabinet Secretariat and the Ministry of Home Affairs. Also, an annual statement on adoption/observance of National/International/Special Days may be submitted to the Ministry of Home Affairs in the form to be prescribed by MHA. Based on this, consolidated list will be circulated by Ministry of Home Affairs.
- (vi) Whether it is proposed to undertake activities of local or departmental nature without formally adopting a Day as a National/International/Special Day, an appropriate decision may be taken with the approval of the Minister-in-charge. However, a copy of the decision may be conveyed to MHA for record.

- (vii) Where it is proposed to undertake activities of local or departmental nature without formally adopting a day as National/International/Special Day, an appropriate decision may be taken with the approval of the Minister-in-Charge and a copy of the decision may be conveyed to the MHA for record.
- (viii) Proliferation of service specific days is not desirable and should be avoided. Possibility of celebrating such events on Civil Services Day, observed every year on April 21, may be explored in consultation with the Deptt. of AR & PG.
