

Civic Action Programme in North Eastern States

Since some of the North Eastern States are affected by insurgency and militancy, there is a constant need to deploy Army and other Central Paramilitary Forces in the region to combat insurgency. In order to take the local populace in confidence and boost the image of armed forces among the common people, Army and Central Paramilitary Forces conduct Civic Action Programme. Under this Programme, various welfare/developmental activities are undertaken like holding of medical camps, sanitation drives, sports meets, distribution of study material to children, minor repairs of school buildings, roads, bridges, etc. and running adult education centers, etc. Details of funds released is in [Annexure-III](#)
