Sir / Madam,

Please refer to the D.O. letter of even number dated 31st December, 2014 from the Hon'ble Minister of Home Affairs to the Chief Ministers / Administrators of all States / UTs regarding setting up of Investigative Units for Crimes against Women (IUCAW). The Ministry of Home Affairs is proposing setting up of IUCAWs in 150 police districts which are most crime prone w.r.t. crimes against women in the country with a 50:50 cost sharing basis with the States / UTs. The States / UTs have liberty to set up these units at Police districts of their choice, where the incidents of crimes against women are higher in comparison to other Police districts within the States/UTs.

The objective of these units will be to assist the local police in investigation of heinous crimes viz. Rape, Dowry Death, Acid Attack, Human Trafficking against women etc.. They will also provide the additional functionalities of proactive policing, intelligence gathering, tackling organized crime, monitoring proper implementation of the legislative provisions, help in awareness generation and social participation in crimes against women. These units comprising of 15 personnel, will be equipped with specialized investigators and preferably 1/3rd of the unit will be women personnel only. The States will have full flexibility on whether to create new posts or to designate from the existing strength with only condition being 1/3rd

should be women only. The issue of 1/3rd Women personnel is being stressed to improve dismal gender ratio in the police leading to impediments in effective implementation of the legislations. The details of the scheme are forwarded herewith for your perusal.

The scheme document is also available in the Ministry of Home Affairs website.

In view of growing incidents related to crimes against women in the country, it is requested that directions may be issued to all concerned to set up these units expeditiously to ensure proper investigation in these cases. It will be highly appreciated if developments in this regard be intimated to the undersigned periodically.

yours sincerely,

(Kumar Alok)

The objective of these units will be to assist the local police in investigation of heinous crimes against women. They will also provide the additional functionalities of proactive policing, intelligence gathering, tackling organized crime, monitoring proper implementation of the legislative provisions, help in awareness generation and social participation in crimes against women. The States are invited to form these units and funds will be disbursed only when the proof regarding operational status of the units are submitted. They will work under the Superintendent of Police in each police district and will take up investigations which are referred to them.
