1. We are pleased to inform you that three police officers from India nominated for secondment to United Nations Peacekeeping Force in Cyprus (UNFICYP) have been selected (as per attached Deployment Tracking "UNFICYP-PD-16-Sep-14--03 India"). The scheduled date of their departure from Ireland is **17 October 2014**. We would appreciate your kind assistance in expediting the release of the above mentioned officer for secondment and passing the necessary internal administrative formalities. The remaining five officers are still pending medical clearance and they will be deployed after they are medically cleared in due course.
2. The United Nations Travel Unit will issue travel authorization (TA) for the selected officers along with "To whom it may concern" letter, which should be displayed by the officers to the border/immigration authorities of the host country upon arrival.
3. Please be advised that a pre-deployment medical examination is required to be completed in accordance with the "Guidelines for UN police officers on assignment with Peacekeeping Operations". The completed original MS-2 forms must be forwarded to the Police Division before actual deployment to the Mission. **The officers will not travel to the Mission until the MS-2 forms are submitted to the Police Division.**
4. Police Division deems necessary to remind that the selected police officers must have at least two years of recent driving experience, and must be in possession of valid national or international civilian driving licenses. Police officers must present their valid national driving licences upon arrival in the mission area. The license should be valid during their service.
5. The Police Division wishes to remind the Permanent Mission that incoming police officers are subject to in-mission assessment in English language, driving skills and, where applicable, weapon handling and shooting, if they have not been cleared by a UN SAAT team. Please be advised that if any of them fails such assessments he/she will be repatriated at the expense of the national Government. Alternately, if he/she had successfully passed SAAT tests

earlier, only his/her driving skills will be re-examined. The officers, who return to the mission area within the 24-month period after their departure from that or other mission with similar conditions of service and working language, are considered as those SAAT cleared.

6. I would like to convey to you my appreciation for your country's continued efforts to contribute highly skilled and well trained and equipped police officer to the United Nations.

Best regards.
