Sub: **Attachment of CAPFs personnel with MHA.**

As per policy in vogue, Police-II Division is competent to issue orders for attachment of CAPF personnel with MHA as well as to extend the tenure of attachment beyond the period prescribed in SOP. On review of attachment of CAPFs personnel, Competent Authority has observed that few personnel are continuing in MHA on attachment beyond the permissible tenure without extending the period of attachment, in violation of the SOP.

2. Therefore, all the Divisional heads of MHA are requested to provide the list of CAPFs personnel attached with their Division showing their date of attachment in MHA and the date upto which extension of attachment beyond the normal tenure of 3 years has been granted by P-II Division with authority.

3. This has the approval of the Competent Authority.
