UNISFA

United Nations Interim Security Force for Abyei

قوة الأمم المتحدة المؤقتة في أبيي

NOTE VERBALE

Ref: UNISFA/MHQ/688/2019

The United Nations Interim Security Force for Abyei (UNISFA) presents its compliments to the Ministry of Foreign Affairs of the Government of the Republic of the Sudan and has the honour to refer to the Agreement between the United Nations and the Government of the Republic of Sudan concerning the Status of the United Nations Interim Security Force for Abyei (SOFA) concluded on 1 October 2012.

UNISFA has the honour to follow up with the esteemed Ministry on previous requests regarding issuance of Entry, Residence Visas and Travel Permits for various UNPOL officers to be deployed as part of routine replacement and rotation within the authorised strength of fifty (50) International Police officers in Abyei, as provided in United Nations Security Council resolution (UNSC)1990 (2011). UNISFA further recalls discussions held in Khartoum between its senior officials and the Ministry on 15 July 2019, including the Undersecretary General of the Ministry of Foreign Affairs (MOFA), Mr. Omar Dahab Fadul and Ambassador Hassan Hamed Hassan, in which the Government assured that all pending visas in the context of replacement of rotating international police officers within the strength authorised in the UNISFA mandate will be expedited.

Currently, UNISFA awaits the issuance of visas for twenty-one (21) officers from different Member States including- Ethiopia, Fiji, Egypt, Rwanda, Tanzania, India and Senegal to be deployed in Abyei, as replacements (5) and new deployments (16) within the police strength authorised in UNSC resolution 1990 (2011). A detailed list of the nationalities, names of the international police officers, and passport details for all the twenty-one (21) deployments is attached for ease of reference. Without the full capacity of international police in Abyei, the Mission's ability to implement its mandate, particularly in the context of challenging law and order maintenance issues and the rise in criminality within the Abyei box is severely compromised. It is also expected that some of the police officers with experience and expertise in police planning will be resourceful in the preparatory planning for the establishment of the Abyei Police Service (APS), including the provision of assistance towards the development of the road map strategy for the establishment of the APS as required by Paragraph 8 of UNSC resolution 2445 (2018).

UNISFA takes this opportunity to bring the Ministry's attention to the provisions of Paragraph 35 of the UNISFA SOFA as read with provisions of the 1946 Convention on the Privileges and Immunities of the United Nations ("the Convention"), pursuant to which the Government of Sudan has an obligation to issue multiple entry visas, without delay, for all UNISFA officials including civilian police officers. Therefore, UNISFA requests the Ministry to coordinate with relevant authorities within the Government of the Republic of Sudan to expedite the issuance of the requested Entry, Residence Visas and Travel Permits for the UNISFA international police officers, some of which are pending since 10 September 2018.

The United Nations Interim Security Forces for Abyei expresses its gratitude to the Ministry of Foreign Affairs of the Republic of the Sudan for its usual cooperation and avails itself of this opportunity to renew to the Government of the Sudan the assurances of its highest consideration.
