The Secretariat of the United Nations presents its compliments to the Permanent Mission of Member State to the United Nations and has the honour to invite its Government to nominate individual police officers in active service for appointment on secondment to the Standing Police Capacity of the Police Division, with its duty station in the United Nations Logistics Base (UNLB) in Brindisi, Italy, for an initial period of one year, with possibility of extension.

Details regarding the posts for which the Secretariat is seeking qualified applicants are provided in the attached Job Openings 2017-SPC-75927-DPKO, 2017-SPC-75916-DPKO, 2017-SPC-75910-DPKO, 2017-SPC-78776-DPKO, 2017-SPC-75911-DPKO, and 2017-SPC-75909-DPKO. Also attached is the "Application Procedure for Position in the Standing Police Capacity of the United Nations Police Division Requiring Official Secondment from National Governments of United Nations Member States".

The Secretariat kindly requests the Permanent Mission to submit a separate application for each nominee for each Job Opening to the Selection and Recruitment Section/Police Division/OROLSI/DPKO, DC1-0784, in accordance with the above-referenced procedures, certifying that the nominee/s meet/s the requirements in the attached Job Opening/s. Applications submitted after the deadline specified in the Job Opening will not be considered.

The Permanent Mission is also requested to confirm that selected candidates will be released, in a timely manner, from the national police service obligations for service with the United Nations. It is also requested to ensure that the rank of each candidate submitted is indicated on the application, if applicable. In addition, it is strongly recommended that Member States carefully pre-serven their applicants and submit only those candidates meeting all requirements for the position as described in the Job Opening.

Member States are strongly encouraged to nominate qualified female police officers. Preference will be given to equally qualified women candidates.

The Secretariat wishes to inform that the Permanent Mission of Member State that in an effort to streamline and expedite the procedures of recruiting seconded officers, candidates placed on a roster following the selection process may be considered for posts with similar functions within a period of one year and if recommended for deployment, further arrangements will be coordinated with the

The Secretariat wishes to reiterate that promoting and encouraging respect for human rights is a core purpose of the United Nations and central to the delivery of its mandates. Should the Secretariat become aware of grave human rights violations which give rise to concerns as to the record and performance of [country] police personnel, this may constitute grounds to revoke its acceptance of such personnel to serve in UN peace operations. In the case of nominees who have been investigated for; charged with or prosecuted for any criminal offence, with the exception of minor traffic violations (driving while intoxicated or dangerous or careless driving are not considered minor traffic violations for this purpose), but were not convicted, the Government is requested to provide information regarding the investigation(s) or prosecutions concerned. The Government is also requested to certify that it is not aware of any allegations against its nominated candidates that they have committed or been involved, by act or omission, in the commission of any acts that may amount to violations of international human rights law or international humanitarian law.

The Secretariat recalls that the responsibilities of those personnel who are appointed to serve in United Nations peacekeeping or special political missions are exclusively international in character. They perform their functions under the authority of, and in full compliance with, the instructions of the Secretary-General of the United Nations and persons acting on his behalf and are duty-bound not to seek or accept instructions in regard to the performance of their duties from any government or from other authorities external to the United Nations. Seconded personnel should carry out their functions in accordance with all applicable regulations, rules and procedures of the Organization.

This request is being transmitted to all Member States, in compliance with General Assembly resulution 51/243 of 15 September 1997.

The Secretariat of the United Nations avails itself of this opportunity to renew to the Permanent Mission of Member State to the United Nations the assurances of its highest consideration.
