The Competent Authority has now accorded its approval for continuation of helicopter services in UT of J&K in five routes for the period from 2021-22 to 2025-26 i.e. from 1.4.2021 to 31.3.2026.

- (iv) MHA may increase or decrease the number of helicopters /flying hours and also start helicopter services on additional routes within the approved financial outlays.
 - (v) There is no restriction for private sector to operate helicopter services in the existing routes without any subsidy. Expenditure Finance Committee (EFC) recommended that NITI Aayog may conduct a study for viability of helicopter operations by the private sector and explore different models for the same and MHA will provide the requisite inputs to NITI Aayog.
 - (vi) EFC has recommended that tendering process to engage helicopter operators will be done by either Ministry of Home Affairs (MHA) directly through GeM or by the State Government through GeM and contract will be awarded after vetting of the tender documents by MHA.

Current arrangement of helicopter services may be extended upto 31.3.2022 and meanwhile a fresh tender may be issued through GeM as per EFC recommendations.

You are requested to intimate whether tendering process to engage helicopters will be done by UT of J&K or by MHA.
