HELICOPTER SERVICES IN NORTH EASTERN STATES

In order to provide connectivity to remote areas of NER, Helicopter subsidy scheme is being administered by MHA in the NE States of Arunachal Pradesh, Meghalaya, Nagaland, Sikkim, Tripura, Mizoram and Manipur. It further aims to provide affordable passenger transport in NER, evacuation during natural calamities and for urgent medical evacuation etc. MHA bears 75% of total cost of operation after deducting passenger recovery or flat 20% of actual operation cost, whichever is more. For the purpose of restricting subsidy, annual ceiling of flying hours has been fixed for the helicopter service operating in these States as tabulated below:-

NE State	Type of Helicopter	No. of flying hours sanctioned per annum
Tripura	Fresh tender in progress	480
