Further I state as under that your orders are in correct, and unstairs factory etc I have been running, to the Ministry from last several years, and apealed to the C.P. I O Directs and personally met them so eg. Dev Kumar, Director, Prabhakar Kamal, S.L.C. Bhalnagar, Arvind Mulejee, Prem Nayam Saxena, O. Ravi Muli, Kumar. (et). I received the same reply, as you have given. Thanks to the R.TI Section for giving me the reply, as the last 2 years I did not receive any reply, as always I have some

to receive my letter to your office as I am not physically fit from the last 2 years I could come to Delhi first time the P.T have delivered my letter that also Zerox copy by Gantamghor Rep. Sec. @ C.P.I.O, As your letters are not respected and obeyed since several years I have approached to every Chair from Ground level to the Presidents of India, how many years the Chief Secretary of Maharashtra needs to take Action I have given ~~to~~ my Application to the Chief Secretary on 2/2/2013, 2/8/ and several reminders to the chair persons of the State of Maharashtra but not received any Reply, You say we are not the Chair to take action, the State chair person, say we are not responsible, ~~that~~ than who is responsible then the files are put in the ice cold box, As the main accused are the Ministers who are ruling, the Country and I.A.S. and P.T.P.S. are the puppets of the Ministers as they can not go against them if they want to sit on the chair. if they don't obey they are made a football so they move with them. The Ministers are both to do Scams of the Nation and Dictate the citizens of India. I have been hested ~~was~~ by all means, (1) Attempt to murder, (2) Bombblast (3) Destroyed my family (4) Tried to make me mad, by giving some ~~bad~~ drugs in street of my, vicinity so I should not drink even water ~~in~~ in the streets. I am not the member of Any N.G.O. the State and Govt has framed. And after my murder fabricated documents will be produced as no body has helped me, but destroyed my family life. My wife, daughter's highly qualified strong pillars of my family found themselves unsecured and got married so I had no money to get them married.
