(iii) Point No. 5, 6 During the Chinese Premier's visit to Pakistan in May 2013, the two sides agreed to jointly develop the Long-Term Plan for China-Pakistan Economic Corridor. During the Pakistan Prime Minister's visit to China in July 2013, the two sides agreed to set up a Joint Cooperation Committee on the Long-Term Plan for China-Pakistan Economic Corridor. Roads and other forms of connectivity envisaged in this Economic Corridor would pass through Pakistan Occupied Kashmir. Government is aware that China is executing infrastructure projects in Pakistan Occupied Kashmir. Government has raised this issue with the Chinese side and has clearly conveyed India's consistent position that Pakistan has been in illegal occupation of parts of the Indian State of Jammu and Kashmir since 1947. China regards Kashmir as a bilateral matter to be settled between India and Pakistan. Government has conveyed its concerns to China about their activities in Pakistan Occupied Kashmir, and asked them to cease such activities. Recently, during their State Visit to India by Chinese premier in May 2013, both sides agreed that, "The two sides will not allow their territories to be used for activities against the other. The two sides are committed to taking a positive view of and support each other's friendship with other countries." The full text of the joint Statement issued on this occasion is enclosed.

(iv) Point No.7 During the visit of PM Shri Atal Bihari Vajpayee to China in June 2003, the two sides agreed to each appoint a Special Representative (SR) to explore from the political perspective of the overall bilateral relationship, the framework for a boundary settlement. There have been seventeen rounds so far. The 15<sup>th</sup> round took place in New Delhi in January 2012, 16<sup>th</sup> round in Beijing in July 2013 and 17<sup>th</sup> round in New Delhi in February 2014. In January 2012, India and China signed an 'Agreement on the Establishment of a Working Mechanism on Consultation and Coordination (WMCC) on India-China Border Affairs'. The first meeting of the WMCC was held in March 2012 in Beijing, the second meeting was held in November 2012 in New Delhi, the 3<sup>rd</sup> meeting was held in New Delhi in July 2013, 4<sup>th</sup> meeting was held in Beijing in September 2013 and 5<sup>th</sup> meeting was held in New Delhi in February 2014. The press releases regarding these meetings are enclosed. Besides WMCC and diplomatic channels, other established mechanisms include border personnel meetings and flag meetings. More information is available on our website [www.mea.gov.in](http://www.mea.gov.in)

(v) Point No.8 The issuance of visas by India and China is guided by the provisions of the Memorandum of Understanding on Simplifying Visa Procedures between the two governments signed in June 2003, which is being implemented by both sides. Government's position that there should be no discrimination against visa applicants of Indian nationality on grounds of domicile and ethnicity has been clearly conveyed to the Chinese Government on several occasions and at the highest level. Visas issued on a separate sheet of paper stapled to passports are not considered valid for travel out of the country.
