Sir,

Please refer to your RTI application dated 15.01.2014 (received in NDM-I Section, MHA 27th January, 2014).

2. The State Government concerned is required to undertake rescue & relief operation of immediate nature, in all the areas affected by the natural calamity. The financial assistance for natural calamities is channelized through the State Disaster Response Fund (which consists of contributions from the Centre and State) and the National Disaster Response Fund (NDRF) which is fully funded by the Government of India. Allocation in the SDRF of the State is made for the entire State for all notified calamities, and it is for the State Government concerned to allocate the funds from SDRF to various districts in the wake of a notified natural calamity, in accordance with the magnitude of the ground situation. Additional expenditure, if any, incurred over and above or on other than approved items/norms, is required to be met by the States from their own resources and not from SDRF, since this scheme is to supplement the immediate relief efforts of the affected State.
