1103 - MHA / Section

Looking in to larger public interest and role of Police authorities to help register false cases; leading to huge increase in no of pending cases in courts. Supreme court of India ordered to establish Police complaint authorities in all states & UT's. It was a big step to help common citizen, but it's implementation has been very poor. In Haryana state Police complaint authority was constituted but one Retired INS officer was leading it for one year without phone no., no computer and internet. I applied RTI, then media caught this then Haryana Govt provided phone, computer, internet. One more state Delhi, progressive city and Capital of Nation has advertised about police complaint authority in news paper on 13/08/2012. In larger public interest I am compelled to ask following information under RTI act 2005. I hope you will take action to provide me this information honestly.
