D.O. No. A-60011(IT)/13/2022-Admn.IV

January 19, 2023

Dear Secretary,

As you are aware 'Legal Information Management & Briefing System' (LIMBS) implemented by Department of Legal Affairs for monitoring of UOI litigation is operational in all Ministries/Departments of Government of India and attached offices and it has brought all the stakeholders viz. Users, Nodal Officers, Advocates etc. on a single platform. LIMBS web application designed and developed in association with NIC is equipped with several features i.e. Dashboard view, generation of MIS Reports, integration with e-Courts etc. for quick analysis and monitoring.

2. Recently, the Parliament Consultative Committee of the Ministry of Law & Justice on a review of the working of the LIMBS has stressed upon the urgent need for various Ministries/Departments of Government of India to focus on the effective monitoring of the pendency of their cases with particular emphasis on conclusion of litigation which are pending for more than 10 years.

3. Accordingly, you are requested to issue instructions to review long pending litigation using the LIMBS portal.

4. In case of any difficulty, Shri Himanshu Saraswat, Sr. Software Developer (Mob. No.8800279152) may be contacted, for assistance.

Yours sincerely,

N. Chandra
