Subject:- Grant of JAG(Rs.12000-16500) & SG(Rs.14300-18300) on completion of 9 years/13 years Group A service in CPMFs

Ministry of Home Affairs may kindly refer to their Note dated 26.3.02 wherein the following proposals have been referred to this Department for our views:-

- a) promotion of Group A officers to JAG (Rs.12,000-16,500) and NFSG (Rs. 14,300-18,300) on completion of 9 and 13 years of service respectively on non-functional basis; and
- b) grant of STS (Rs.10,000-15,200) on completion of 4 years service in JTS (Rs.8000-13,500), against the existing provision of 6 years service.

2. These proposals have been examined in this Department. The Group A posts in the CPMFs do not form a part of any organized Group A Service and as such, the benefit allowed in the case of such services cannot automatically be extended to the CPMFs officers. Even otherwise, in Group A Services and posts, promotions to the level of JAG and above are supposed to be earned, and not all promotions upto the NFSG level are time-bound. If time-bound promotion to these levels is granted even on non-functional basis it would tantamount to extension of ACP in the case of a number of Group A posts having an established hierarchy and command structure. It is also seen from para 8 of the note dated 26.3.02 that restructuring of ITBP has since been approved and the command restructuring is expected to result in creation of substantial number of posts at senior level. This Department feels that the proposal as at (a) above can be more appropriately processed after we have a clear idea about the revised strengths at various levels in all the CPMFs after their command restructuring.

3. As regards grant of STS on completion of 4 years service in JTS, this proposal was not present when Ministry of Home Affairs referred the case to this Department in January, 2002. Considering that earlier in December, 2000 we had agreed to financial upgradation to the STS on completion of 4 years of service in the JTS in the case of CPMFs, this Department endorses this proposal.

4. This issues with the approval of MOS(PP).
