Subject: First Appeal Under Section 19 of RTI Act 2005.

Dear Sir,

This is in reference to your letter dated 03rd May 2013 no. 8/Imm/2013(139)-1429 sent by Sh. N.S. Bundela Deputy Director & CPIO in reply to my RTI. In which he has cited the reason for not providing the information by quoting Section 24 (1) and Second Schedule of RTI Act 2005 that exempts Security Agencies. Sir, now I would like to put across few points in regards to the same matter.

1. That the RTI Act 2005 exempts security agencies but with a rider that states that "Provided that the allegations of corruption and human rights violation shall not be excluded under the sub section. (Copy attached). Sir, the information I seek is for the purpose of getting to the bottom where I feel there could be a human rights violation and also of corruption which is why I require the details.
2. Because the information sought is absolutely beyond the purview of section - 8 of the Act no. 24 of 2005 and Official Secrets Act, to which you are quoting.
3. Because on the basis of presumption of fear of security cannot be made basis to refuse relevant information.
4. Because the press and news media are also revealing the facts

Mechanically and electronically which means the very information I seek is available to them.

5. Because the desired information does not in any way impede the process of Justice.
6. Because no document can be classified arbitrarily as Secret or Confidential except as provided in the Act.
7. In regards to the information to State Government the application could have been forwarded to concerned CPIO or SPIO for the information.

Sir that is why I would ask you to please again look upon the request I had made through my RTI and provide me the relevant information otherwise there would be no scope other than that of going to CIC or to take remedial action as per the Law of the Land.

Thanking you
