SUB: Request for information under --- RTI

Dear Sir,

Please find enclosed the fee for RTI as required by means of a IPO for Rs. 10/- (Ten only) bearing no. 19 F 633138 .

1. With respect to the usage of the national airspace and the growing aviation sector, I would like to get informed about the security threat (if present?) presented by uncontrolled flying activity around the country and measures taken to keep the activity under control.

As Such,

Question No 1.

Kindly provide the information about measures or precautions or regulations in place to control the below mentioned flying activities.

1. Paragliding (including powered paragliding).
2. Hang Gliding (Not powered).
3. Remote controlled aircrafts (including autonomous unmanned air vehicles)
4. Aircrafts not falling under microlight category* neither coming under light sport aircraft i.e manned aircrafts with maximum all up weight not exceeding 330 Kg and wing area less than 10 Sq meter. Also please specify the category they will be considered under?

As defined in CAR SECTION 2 - AIRWORTHINESS
SERIES 'F' PART XIV

Single Seater Microlight aircraft means a fixed wing aircraft with maximum all up weight of not exceeding 330 Kg. and a wing area not less than 10 sq. metres and which is designed to carry not more than one person.

Question No 2.

What **measures** or **regulations** are in place to control the manufacture of aeromodels or autonomous flying machines / UAV's (as hobby or as a profession)?

Any additional charges payable for copy or photocopy of the documents pertaining to the above information will be provided on request.

Thanking you and expecting to hear from you at the earliest,

Yours Sincerely

Umanand Sharma
