While seeing the applicability of 'The Punjab Wild Birds and Wild Animals Protection Act, 1933' which was extended to the Union Territory of Delhi on 30th May 1939. We should look into the Section 66 of the Wild Life (Protection) Act 1972 which deals with Repeal and Savings.

**“66. Repeal and savings-** (1) As from the commencement of this Act every other Act relating to any matter contained in this Act and in force in a State shall to the extent to which that Act or any provision contained therein corresponds, or is repugnant, to this Act or any provision contained in this Act, stand repealed;

---

1. Extended to the Union territory of Delhi vide Notification No. 189/38 dated 30th May, 1939.

Provided that such repeal shall not,—

- (i) affect the previous operation of the Act so repealed, or anything duly done or suffered thereunder;
  - (ii) affect any right, privilege, obligation or liability acquired, accrued or incurred under the Act so repealed;
  - (iii) affect any penalty, forfeiture or punishment incurred in respect of any offence committed against the Act so repealed, or
  - (iv) affect any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture, or punishment as aforesaid;
- and any such investigation, legal proceeding or remedy may be instituted, continued or enforced; and any such penalty, forfeiture and punishment may be imposed, as if the aforesaid Act had not been repealed.

(2) Notwithstanding such repeal—

- (a) anything done or any action taken under the Act so repealed (including any notification, order, certificate, notice or receipt issued, application made, or permit granted) which is not inconsistent with the provisions of this Act, be deemed to have been done or taken under the corresponding provisions of this Act as if this Act were in force at the time such thing was done or action was taken, and shall continue to be in force, unless and until superseded, by anything done or any action taken under this Act.
- (b) every licence granted under any Act so repealed and in force immediately before the commencement of this Act shall be deemed to have been granted under the corresponding provisions of this Act and shall be subject to the provisions of this Act, continue to be in force for the unexpired portion of the period for which such licence had been granted.

(3) For the removal of doubts it is hereby declared that any sanctuary or National Park declared by a State Government under any Act repealed under sub-section (1) shall be deemed to be a sanctuary or National Park, as the case may be, declared by the State Government under this Act and where any right in or over any land such National Park which had not been extinguished under the said Act at or before the commencement of this Act, the extinguishment of such rights shall be made in accordance with the Provisions of this Act”.

An Act to make better provision for the protection and preservation of certain wild birds and wild animals in the Punjab.

**Preamble-** Whereas it is expedient to make better provision for the protection and preservation of certain wild birds and wild animals in the Punjab, and whereas the previous sanction of the Government General has been obtained under section 80-A of the Government of India Act; It is hereby enacted as follows—

1. **Short title, extend and commencement-** (1) This Act may be called the Punjab Wilds Birds and Wild Animals Protection Act, 1933.
- (ii) It extends to the Union Territory of Delhi.
- (iii) It shall come into force on such date as the Chief Commissioner, any, by notification, appoint in this behalf.
- (iv) The Wild Birds and Wild Animals Protection Act, 1912, is in its application to the Union territory of Delhi, hereby repealed.

2. **Application of Act-** This Act shall, subject to the provisions hereinafter appearing, apply to all wild birds and wild animals whether in their wild state or in captivity.

3. **Definitions-** In this Act unless there is anything repugnant in the subject or context-

- (i) "Animal" means an animal which suckles its young;
- (ii) "Licence" means a licence granted under this Act;
- (iii) The expression "wild bird or wild animal" shall be deemed to include the flesh thereof and, in the case of a wild bird, the eggs thereof.

4. **Closing time-** It shall not be lawful to kill or to capture, or to possess, whether dead or alive, or to buy or to sell or to offer for sale any wild bird or wild animal, except in the manner and to the extent hereinafter provided-

- (i) The wild birds, or wild animals specified in schedule I may be killed, captured, possessed, bought, sold or offered for the sale throughout the year;
- (ii) The wild birds or wild animals specified in Schedule II-
  - (a) may be killed, captured, possessed, bought, sold or offered for sale during period specified in the said schedule under a licence, and in the manner and to the extent provided thereby:

Provided that no licence shall be necessary for shooting such wild birds and wild animals during the period specified in the said Schedule;

- (b) may be bought or possessed without a licence during the period specified in the said schedule for purposes of consumption, provided they have been obtained from a licensee or have been shot.
- (iii) The wild birds or wild animals specified in Schedule III-
  - (a) may be killed, captured, possessed, bought, sold or offered for sale during the period specified in the said Schedule under a licence, and in the manner and to the extent provided thereby;

- (i) —
  - (a) add to Schedules I and IV,
  - (b) add to or exclude from schedules II and III, any wild bird or wild animal subject to such conditions as it may impose in each case;
- (ii) alter the period during which any wild bird or wild animal specified in schedules II and III may be killed or captured;
- (iii) alter the number of wild birds or wild animals specified in column 5 of schedule IV which may be kept as pets or for use as decoys.

**7. Power to grant exemption-** Where the Chief Commissioner is of opinion that such a course is desirable in the interests of scientific research, or for the better protection or preservation of crops or other property, it may grant to any person a licence subject to such restrictions or conditions as it may impose, entitling the holder thereof to do any act which is by this Act declared to be unlawful.

**8. Power to declare any area to be a sanctuary for wild birds and wild animals-** The Chief Commissioner may, by notification declare any area which is vested in the Chief Commissioner and subject to the consent of the owner and to such conditions as may be determined by mutual agreement, any area which is private property, to be a sanctuary for wild birds or wild animals, or both, and it shall be unlawful for any person to kill or capture any wild bird or wild animals as the case may be, within such area at any time.

**9. Penalties-** (1) Whoever commits a breach of the provisions of this Act or of any rule made thereunder, shall be punishable with fine which may extend to fifty rupees or in default with imprisonment of either description which may extend to one month.

(2) Whoever, having already been convicted of an offence under this Act or any rule made thereunder is again convicted thereunder, shall, on every subsequent conviction, be punishable with fine which may extend to five hundred rupees or in default with imprisonment of either description which may extend to three months, and shall, in addition to the punishment provided for the offence, be liable to confiscation of the licence.

On conviction of any person for an offence under this Act the convicting Magistrate may, in addition to any other penalty imposed, order any net, trap or snare, used in the commission of such offence, to be destroyed or to be sold and converted into money and the proceeds thereof forfeited.

**10. Jurisdiction inferior to that of a magistrate of the second class excluded-** No court inferior to that of a Magistrate of the second class shall try an offence under this Act.

**11. Persons who may lodge complaints-** No court shall take cognizance of any offence under this Act except, on the complaint of a police officer not below the rank of Sub-Inspector or of any other person or class of persons authorised by Chief Commissioner in this behalf.

**12. Savings-** Nothing in this Act shall be deemed to apply to—

- (i) the killing or capture in good faith of any wild bird or wild animal by any person in defence of himself or of any other person or of property.

- (ii) the capture, sale, purchase or possession for scientific or public purposes of any wild bird or wild animal by, or on behalf of the authorities administering public zoological gardens.

**13. Power to make rules** - (i) The Chief Commissioner may, after previous publication, make rules for the purpose of carrying into effect the provisions of this Act.

(ii) In particular and without prejudice to the generality of the foregoing power, the Chief Commissioner may make rules for all or any of the following purposes, namely-

- (a) to prescribe the form in which and the terms and conditions under which, a licence may be granted;
- (b) to prescribe the fees to be charged for any licence;
- (c) to provide for the confiscation of any wild bird or wild animal killed, captured, bought, sold or offered for sale in contravention of the provisions of this Act.
